

REWARDS

B REWARDS

Elevate your engagement with our scalable customer incentives tool, tailored to your industry.

- Easily customise your customer rewards and incentives with extensive configuration options.
- Track reward lifecycle milestones for an enhanced understanding of your customers.
- Enjoy true scalability with options for SMEs and large enterprises.
- Use our in-built reporting capabilities or integrate the tool with your own.
- Rewards can be combined with other Bennu products or run alongside your existing systems.

KEY FEATURES

- User-friendly guides for simplifying campaign flows
- Region, date, purchase or order details, reward rules, distribution options and more
- Support for multiple reward types including promotions, discounts and cashback
- Track issued and redeemed rewards with detailed promotional cost reporting
